DXL-90 Rear brake drum, drum cover, and seal change

There is a running change in the rear drum cover on the DXL ATV models. If your Vin # is before RFZ0000002A000748 use the old part # 650544, if your Vin # is after RFZ0000002A000748 use part # 800414. The only difference in the 2 drum covers is the inside and outside diameters of the drum cover ends where the seal is pressed into. Old part # 650544 I.D. is 40mm, O.D. is 54mm. New part # 800414 I.D. is 43mm, O.D. 63.5mm

There is a running change in the rear drum on the DXL-90 ATV models. If your Vin # is before RFZ0000002A000748 use the old part # 650546, if your Vin # is after RFZ0000002A000748 use part # 650977. The only difference in the 2 drums are the outside diameters of the drum ends where the seal is pressed into. Old part # 650546 I.D. is 31mm, O.D. is 38mm. New part # 650977 I.D. is 31mm, O.D. 43mm

There is a running change in the rear drum cover seal on the DXL-90 ATV models. If your Vin # is before RFZ0000002A000748 use the old part # 650545, if your Vin # is after RFZ0000002A000748 use part # 800411. Old part # 650545 I.D. is 38mm, O.D. is 52mm. New part # 800411 I.D. is 43mm, O.D. 62mm
